INSTRUCTION SHEET
DD Form 214 – Do It Yourself

Dear Client,

Thank you for visiting our site! We truly appreciate the opportunity to offer you our services.

Most veterans and their next-of-kin can obtain **free** copies of their [DD Form 214 \(Report of Separation\)](#) and other military and medical records from the Government. The Government **can take several weeks to months to process** mail or faxed-in requests. If you have no immediate need for your DD 214, this method may be your best option.

However, once you place your order with the Government, you will most likely make your records inaccessible to anyone else for a period of weeks. This situation also occurs when another agency requests your record. Once your record is removed from the shelves, it cannot be accessed again until it is returned – perhaps weeks later. So, consider processing your request through the Government very carefully. Once you place your order with them, you most likely won't be able to "go back" or "do over" and order your DD214 for prompt delivery.

Do It Yourself Service - Instructions

We've included Standard Form 180, Request Pertaining to Military Records. This form has complete instructions and provides locations where, once completed and signed, you can mail it. You may be able to shave a day or two off the processing time by faxing the signed and completed form to the NPRC at: **314-801-9195**. The NPRC handles generally pre-1995 separations.

Separations after 1995 are usually handled by the military branches themselves. Be sure to check the instructions on the SF180 to make sure you are sending your Request to the proper facility. Should there be any problems, if you send or fax your Request to NPRC, NPRC will respond to you in writing by U.S. Mail. If you send your Request to them by mistake, they may forward your request to the proper agency, OR respond to you with the address of the proper agency to which you should send your Request. This back-and-forth correspondence may add days or weeks to the process.

OR ezDD214.com – Alternative

[ezDD214.com \(Click HERE\)](#), a private company, puts a new electronic spin on the processing of your SF 180. For less than \$10, ezDD214.com guarantees to submit your SF 180 to the correct facility the first time. And, better yet, with their patent pending eSign service, if you don't have a printer or fax, no printer or fax is required. There's nothing to printout, mail or fax to anyone anywhere. Their entire submission process is conducted purely electronically, entirely and completely Net based.

Express Service (Optional)

If you REQUIRE your DD 214 within a more definite time period, today or tomorrow, or within one week, you should consider Touchstone Research Group, a private research company, and their DD 214 *Express Service*. They have researchers at all of the locations where your DD 214 may be kept so that they – in many cases - can retrieve your file the very day you request it, and they will deliver your DD214 faster than anyone else, guaranteed. Before ordering, be sure to read their FAQ for common questions. Express services of this type usually cost in the range \$79 - \$119.

You can order their DD214 *Express Service* at <http://dd214express.com>

Thank You!

INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS

1. General Information. The Standard Form 180, Request Pertaining to Military Records (SF180) is used to request information from military records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can. To determine where to mail this request see Page 2 of the SF180 for record locations and facility addresses.

Online requests may be submitted to the National Personnel Records Center (NPRC) by a veteran or deceased veteran's next of kin using eVetRecs at <http://www.archives.gov/veterans/evetrecs/>.

2. Personnel records and Service Treatment Records (STR). Personnel records of military members who were discharged, retired, or died in service **less than 62 years** ago and STR's are in the legal custody of the military service department and are administered in accordance with rules issued by the Department of Defense and the Department of Homeland Security (DHS, Coast Guard). STR's of persons on active duty are generally kept at the local servicing clinic, and usually are available from the Department of Veterans Affairs approximately 40 days after the last day of active duty. (See item 3, Archival Records, if the military member was discharged, retired or died in service over 62 years ago.)

a. Release of information: Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. An authorization signature, of the service member or the member's legal guardian, is needed in Section III of the SF180. Others requesting information from military personnel records and/or STR's must have the release authorization in Section III of the SF 180 signed by the member or legal guardian. If the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, surviving next of kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the general public. The next of kin may be any of the following: unremarried surviving spouse, father, mother, son, daughter, sister, or brother. Requesters must provide proof of death, such as a copy of a death certificate, letter from funeral home or obituary.

b. Fees for records: There is no charge for most services provided to service members or next of kin of deceased veterans. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee, you will be notified as soon as that determination is made.

3. Archival Records. Personnel records of military members who were discharged, retired, or died in service **62 or more years** ago have been transferred to the legal custody of NARA and are referred to as "archival" records.

a. Release of Information: Archival records are open to the public. The Privacy Act of 1974 does not apply to archival records, therefore, written authorization from the veteran or next of kin is not required. However, in order to protect the privacy of the veteran, his/her family, and third parties named in the records, the personal privacy exemption of the Freedom of Information Act (5 U.S.C. 552 (b) (6)) may still apply and preclude the release of some information.

b. Fees for Archival Records: Access to archival records is granted by offering copies of the records for a fee (44 U.S.C. 2116 (c)). You will be notified if there is a charge for photocopies of documents contained in the record you are requesting.

4. Where reply may be sent. The reply may be sent to the service member or any other address designated by the service member or other authorized requester.

5. Definitions and abbreviations. DISCHARGED -- the individual has no current military status; SERVICE TREATMENT RECORD (STR) -- The chronology of medical, mental health and dental care received by service members during the course of their military career (does not include records of treatment while hospitalized); TDRL – Temporary Disability Retired List.

6. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.

PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then retained as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Veterans Affairs, the Department of Homeland Security (DHS, U.S. Coast Guard), or the National Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.

PAPERWORK REDUCTION ACT PUBLIC BURDEN STATEMENT

Public burden reporting for this collection of information is estimated to be five minutes per request, including time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to National Archives and Records Administration (NHP), 8601 Adelphi Road, College Park, MD 20740-6001.
